

POLK-BURNETT ELECTRIC COOPERATIVE

Policy No.: **BD-15**

Subject: **Joint Use of Poles**

Objective: To provide for Polk-Burnett Electric Cooperative (Polk-Burnett) participation with other utilities in the joint use of poles to provide economic and operating advantages on a mutual basis.

Policy: Polk-Burnett shall seek to use the poles of other utilities and permit the use of its own, where expedient and reasonable to both parties.

Such attachments may be made only under established contracts.

The attaching party will be invoiced annually per the rate schedule published annually by the Wisconsin Electric Cooperative Association (WECA).

The attaching party is responsible for obtaining their own right-of-way easement.
