(Annual tank rental fees are charged if delivery is less than 50% of tank capacity between April 1st of prior year and April 1st of current year. If usage has changed significantly call us at 800-421-0283 to ask about resizing our tank.)

- Above prices are subject to state and local taxes and subject to change at any time.
- We reserve the right to deny, revoke, remove (our equipment) or disconnect service for repeated out-of-gas, and/or delinquency problems. You will receive a written letter of intent to discontinue service.
- We have the right, without notice, to immediately enter the consumer's premises and remove our tank, its contents and related equipment if unsafe conditions or code violations exist (bypassing tank and hooking up a cylinder, etc); if propane gas from other sources are used in our borrowed tank; or if account is severely past due.
